Dear Hiring Manager,

I am writing to express my interest in the internship opportunity at Alorica Teleservices, INC, as advertised on the MMCM-OCP website. As a Computer Science student at Mapua Malayan Colleges Mindanao, I am eager to apply my academic knowledge in a practical setting and gain valuable hands-on experience. I am particularly interested in technical assistance and exploring other areas where I can utilize my skills to support the organization while further sharpen my capabilities in the field of computer science.

Alorica Teleservices, INC appeals to me due to its outstanding reputation and numerous accolades, such as the 2023 Golden Steve Award for sales and customer service, the 2023 Stevie Winner in the American Business Awards, and from the wonderful reviews from your former employees. I am enthusiastic about the prospect of contributing to such a distinguished company and advancing my professional development.

Throughout my coursework, I acquired strong skills in research, data analysis, communication, hardware performance evaluation, and software configuration, which I believe will benefit your organization. I look forward to discussing how my background and passion for technology align with the needs of Alorica Teleservices, INC. Thank you for considering my application; I am available for an interview at your earliest convenience and can be reached at 09612131515 or via email at jpAbid@mcm.edu.ph or jamespaulnigatabid@gmail.com.

Thank you for your time and consideration.

Sincerely,

James Paul N. Abid
